Our exhibitors have points today!

All exhibitors have 250 points to share with delegates that engage with them and want to find out more about their services.

That's over 7,000 points up for grabs today. Work those points!

Quite a lot of exhibitors leave after the lunch break so don't leave it until afternoon to visit them.

We speak to every exhibitor before the conference and teach them how to award points. If they don't know then please speak to a member of the committee to fix it.
